WOMEN'S SOCCER

The Women's Soccer team had an outstanding season finishing 4th in the NESCAC with a record of 12-3-2. We were the 1st Women's Soccer team at Bates to make it to the NESCAC championship having knocked off many rivals. One of the most memorable parts of the season was beating Bowdoin in the NESCAC semifinals having lost to them in the regular reason and for the past 4 years. With the help of our coaches, superfans, parents and fellow bobcats, we had a successful and memorable season. Good luck to the team in future seasons. Love
you girls- remember to shake it like a polaroid picture and always make it a "direct hit."

The 2003 Men's Soccer team finished with a 5-8-1 record, and a positive outlook for the future. The team won the NSCAA Team Academic Award, as well as the Reynolds Cup Trophy, awarded to the winner of the Bates/Middlebury contest each year. In addition, forward Anthony Silva ('04) was awarded with Second-Team All-NESCAC honors. Led by captains Anthony Silva and James Kenly ('05), the team competed fiercely week in and week out, but a string of frustrating losses on the road left the Bobcats out of the playoffs at the end of the season. The highlight of the season came in the form of a 2-0 upset of visiting Middlebury College, the first victory over the Panthers in Coach Purgavie's 21 year tenure at Bates. Midfielder Brendan Nangle ('06) came in off the bench to score the first two goals in his college career, and the Bobcats' team defense, anchored by goalkeeper Chris Mansfield ('04), held off the Middlebury counterattack and gave Bates its lone conference win.

The outlook for the future of Bobcats Soccer is very positive, as many of the underclassmen gained valuable NESCAC experience throughout the course of the 2003 season, and nine members of the starting team will be returning for the 2004 campaign.

Roster: Chris Mansfield, James Kenly*, Eben Sypitkowski, Tom Hutcheon, Kyle Rushton, Anthony Silva*, David Shear, Sandy Walter, Dan Bradford, Alex Wolff, Ian Livengood, Brendan Nangle, Jacob Bluestone, Ithai Schori, Igor Echave, Chris Urban, Gabe Plourde, Jonathan Love, Sam Witherbee, Phillip Johnson, George Carr, Noah Sabich. ROWING

The Bates men's rowing team had another succesfull year in 2003-2004. After a strong showing in the fall season, capped by a win at the CBB fall regatta by the first varsity boat, both the first and second varsity boats had one of their finest seasons in the history of the program. Both boats finished well at the New England championships with the first varsity winning the second final to finish seventh overall, while the second varsity had one of their best races of the season to come in 8th. Both boats qualified for the ECAC national invitational, but still placed well against extremely tough competition with the 1V finishing 14th, and the 2V finishing 12th.

Mens Team: Tim Austin, Andrew Byrnes, Mason Cox, James Cushing, Karl Dietrich*, Matthew Dillon, Nathan Eichelberger, James Fischer, Jonathan Greer, Colin Hollister, Samuel Hotchkiss*, Nathaniel Hubbell, Adam Jaskievic, Peter Keays, Graham Marsh, William McElhinny, David Rabinowitz, Matthew Robinson, Rob Rosen, John Stirling, Justi Streen, Jeff Woltjen. This year was a "trying" year for field hockey. We had quite a few returning seniors but graduated some of our most valuable. However, our trip to Europe helped the team come together in a way that's new to our field hockey team. It seemed that for the first time all of our energy was focused on the same goals. After the first few losses I think we all realized that this season was a "building season," regardless of how much that sounds like an excuse for a bad season "building" was exactly what we did. Everyone's skills improved, team spirit improved, defense and offense improved, and we became more cohesive- by the end of the season we had all the ingredients for the strongest backbone any team could dream to have. Not only will next year continue to "build" they will take all the upsets from this year and how we learned to deal with that and will come away with more wins, more improvement and more experience. This year looked horrible statistically but we all know what's unsaid is usually the most important.

I would like to say that the whole season from beginning to end was a highlight. Having a great freshmen class, making the NESCAC tournament and tying the best record in bates history just shows on how remarkable the season was. We shattered the three point record making 268 for the season and also were one of the top 20 teams out of 400 in defense and offense. These highlights say a lot about the program and what's to come in future Bates teams. We also had great team bonding doing events for the community (Basketball camp, Golf Tournament) and also being spectators for the NEW JERSEY NETS. But probably the best highlight of the year was receiving the Bates Men's Basketball Sweatshirts for the fact that you can't get those in the school store. Thank you

WOMEN'S SWIMMING & DIVING

The Women's Swim team was lead by an experienced group of seniors this season. Co-captains Elizabeth McConnell and Catie Hinckley provided an enormous amount of leadership and support to the entire team in and out of the water. Fellow senior Jaime Balicki excelled in the sprint backstroke events, while Molly Watson specialized in mid-distance backstroke and freestyle. Annie Taylor focused her talents on breastroke events, and teammate Madeleine West competed in sprint butterfly and Individual Medley events. The seniors are immensely grateful for the opportunity they had to be apart of the Bates Swim Team for the past four years. They cherish all of the wonderful memories and friendships cultivated with Coach Mulholland and the rest of the team.

Despite finishing the season with a 2-9 record, the Men's Lacrosse team had a solid and exciting season. The team demonstrated excitement, skill, experience, and heart throughout every game, however, fell short by one goal in more than half of it's games. The season got off to solid start with a very productive spring trip to Virginia, which allowed the Bobcats to carry this early success into the the first 3 games of the season. The remainder of the season was a tough fought battle that did not end the way they hoped, yet emphasized that the Bobcats are right there with all the other teams.
Overall, the season was a positive experience as it created memories and friendship's, built character, and also built team unity for next year's team as every member of the team contributed and supported the name and pride of Bates Lacrosse.

SOFTBALL

The Bates Softball team began the 2004 season with a strong showing against opponents from around the country at the Gene Cusic Classic in sunny Florida. The team returned north to begin play against New England opponents and swept Brandeis in the Bobcats' first doubleheader since the Florida training trip. The season was also highlighted by a solid 6-1 win over NESCAC rival Tufts at home, marking the first victory over Tufts for the four seniors on the team. Despite several disappointing losses to NESCAC opponents, the Bobcats remained a cohesive unit on and off the field with each player on the roster greatly contributing to the team. The Bobcats lose four seniors to graduation, but the outlook remains positive for the 2005 season, as the team returns 11 players from the 2004 squad, including three of four infielders and all three pitchers.

Seniors of the Bates College baseball program have experienced the highest highs and the lowest lows throughout their 4 year careers, this season was no different. Entering the season with high expectations Bates was hoping for not only the CBB title but also a birth to the NESCAC tournament. With almost the entire team returning from a year ago, and a strong core of senior leaders these goals were very attainable. Unfortunately the team was riddled with injuries to important contributors, which greatly affected the team all season long. Bates missed both their goals by one game against rival Bowdoin College. Bates needed to take 2 of three games from Bowdoin but only managed one in an exciting NESCAC weekend. Among the disappointment of injuries, Bates was able to experience some incredible victories. Some highlights were a three game sweep of arch rival Colby, beating perennial power St. Joe's for the first time in 10 years, and taking 2 of 3 from Tufts to play spoiler and knock them out of the tournament. Despite playing some of the season shorthanded, Bates players managed to step up their performance to salvage the season. Bates was led by senior captains, Nate Maxwell and John O'Neill, along with junior pitcher Mike Kinsman who all were selected to the ALL NESCAC team. Drew McKenna and Charlie Engasser also turned in career years for Bates. Overall the season will be remembered for the senior class who is graduating 9 players that helped put the Bates Baseball program back on the map.

WOMEN'S TENNIS

Our fall season consisted of many hard fought matches against many nationally ranked teams. The highlight of the fall was beating Colby on the road. We had all but one starter return this season, however three went abroad in the spring opening spots for some freshman to gain match experience. We improved a lot in the spring season due to our conditioning on and off the court and won some tough three set matches from being in better shape than the other team. The season was ended by an impressive run to the quarterfinals of the "B" flight singles draw by freshman Emma Nochomovitz. Next year looks very promising as we will only lose one senior to graduation.

Front Row: Emma Nochomovitz, Tara DeVito, Sarah Oremland, Erin Bednarek. Second Row: Head Coach Paul Gastonguay, Lindsay Yost*, Heather Bracken*, Liz Currie, Diana Wilkinson.

THE MIRROR

A yearbook is a collection of memories of the students of a school. Putting together this book I have tried to incorporate as many "stories" as possible; from the international coffeehouse, to Halloween, to gala, to senior week activities, to graduation. While creating the book has caused many stressful times for me as well as many late nights, so many were there to help out and encourage, offering pictures and their time. I would first of all like to thank all of you.

I would sincerely like to thank Jay Burns, Phyllis Graber Jensen, and Aaron Todd in Communications and Media Relations. When I was struggling to find pictures at the last moment they came to my rescue. Many of the great photos in the book, especially sports, are due to their generous contribution.

Also thanks to Keith Tannenbaum for all the pictures from activities throughout the year, I don't know what I would have done without them.

Gene Clough proved to be invaluable to this publication as he has for years. He was always willing to lend a hand and helped guide me whenever I needed.

Mark Maserjian was instrumental in the photographing of the majority of the senior class. With so many pictures to take in such a short time he has done and amazing job with the senior portraits. His continuous support and providing of a graduation photographer ensure some quality photos. Thank you!

Thanks also to Sue Dionne for handling our finances.

We owe thanks to Dave and everyone in the mailroom for dealing with all the yearbook mailings, and books.

To all those who donated or sent pictures deserve special thanks for sharing all of your memories with the entire school!

Thank you to all the seniors, it has been an amazing four years, and I hope this book is a good representation of all we have been through especially in our final year at Bates.

Thanks to Cate Murray, who helped so much during the first semester. Also Lindsay Harvey and Leslie Shages for their help taking pictures.

Finally, I would like to extend a great thank you to Cole Harris, Sandy Moses and Ian Stevenson at Jostens. Without them, the book would have gone to shambles. They were always there to answer questions or to give me a hand. Their patience and professionalism was much appreciated and it was a pleasure working with them. Thanks!!

Good luck to Kate and Natasha next year!!
